

PRINTERS TO HOLD ANNUAL ELECTION

Spirited Contest for Delegates to the I. T. U.

H. C. KNAPP A CANDIDATE

Much Friendly Rivalry Among Seven Candidates in G. P. O.—In Downtown Section.

Columbia Typographical Union, No. 101, will hold its annual election tomorrow. The officers to be voted for are president, vice president, secretary, treasurer, sergeant-at-arms, doorkeeper, trustees, auditors, delegates and alternates to the I. T. U. convention, which will be held in Toronto in August next.

The campaign this year has not been very exciting, due mainly to the lack of opposition to the present corps of officers of the local body, only one having two contestants, that of vice president, for which Dexter S. Hussey is the opponent of W. R. Love, the incumbent.

For the position of delegates to the I. T. U., the usual strenuous canvass has been made, both by the candidates from the Government Printing Office and the downtown representatives.

Seven in G. P. O. In Uncle Sam's big printery there are seven candidates for the three delegations to the I. T. U., all of whom have been identified with the active life of Columbia Union, and are therefore hopeful that the membership will show their appreciation of past service by selecting them as delegates.

Strange as it may seem, the candidate who has held the highest office in the gift of the local organization, and who is probably better known to the membership at large than any other aspirant for delegatorial honors, is the only one who is being strongly opposed for the position he seeks. This is Joe M. Johnson, who was for two terms president of Columbia Union.

In regard to the race for delegate to the International Typographical Union convention in what is known as the downtown section, there are three candidates, with one to be elected. They are Harry C. Knapp, of The Washington Times; Teresa McDonald, of the Washington Post, and Orton T. Pierce, of the Post.

The Times' Chapel Candidate. Mr. Knapp has been a lifelong resident of this city, having been identified with different newspapers before the advent of the typesetting machine, during the various changes incident to the introduction of the different styles of machines, being at present engaged in the composing room of The Times. His supporters claim that, being thoroughly conversant with the requirements of the trade and well qualified to consider such legislation affecting the downtown offices, which might come before the I. T. U. convention, he is the logical representative to send. Mr. Knapp is a member of the grievance committee of Columbia Union, and is said to have acquitted himself in a creditable manner in all matters coming before that body.

The Woman Aspirant. Miss McDonald, who is the only woman seeking honors this year, has been a member of the local union for a number of years.

Mr. Pierce, who is a candidate from the same office as Miss McDonald, also enjoys a membership of many years in No. 101.

Leaders in Contest. While the friends of the various candidates for delegates in the Government Printing Office are sanguine of the success of their favorites, it is, of course, conceded that four are bound to be disappointed. There are many who think that the fight to lead the ticket lies between Frank D. Smith, Mark H. Barnum, and Philip S. Steele, as they are all said to be very strong. But it is contended that the victor in the campaign conducted by the supporters of Joe M. Johnson has added to his prospects, and that he, too, must be considered as a factor in the running, notwithstanding the vigorous fight being waged against him. There are others who are not willing to admit that Walter V. Smith, Joseph E. Goodkey, and Charles B. Buchanan, the remaining contenders, are entirely out of the race, as the popularity of the first-named of the three in the downtown section will make him a hard man to beat even if his vote in the Government office does not come up to expectations.

On behalf of the other two, Mr. Goodkey and Mr. Buchanan, the claim is put forth that a great deal of quiet work has been done in their behalf, and that the result in their favor will prove the surprise of the campaign.

Time for the Voting. Polls will be open in the different chapels throughout the jurisdiction tomorrow between 3 and 4 o'clock, and at the secretary's office members working in offices not maintaining chapels and unattached members will have an opportunity to cast their ballots from 3 to 4 o'clock.

The list of candidates is as follows: For president—John R. Berg. For vice president (one to be voted for)—Dexter S. Hussey and William H. Love. For secretary—George G. Selhold. For treasurer—James E. Bright. For sergeant-at-arms—Eugene Conner. For doorkeeper—N. C. Steaps. For auditors (three to be voted for)—J. W. Carter, C. W. Hadley, and Louis C. Vogt.

For delegates to I. T. U.—Offices under the Government (three to be voted for): Mark H. Barnum, Charles B. Buchanan, Frank D. Smith, Walter V. Smith, and Philip S. Steele. Offices not under the Government (one to be voted for): Harry C. Knapp, Teresa McDonald, and Orton T. Pierce.

For alternates to I. T. U.—Offices under the Government (three to be voted for): R. A. Julian, D. R. Lyons, and H. W. Templar. Offices not under the Government (one to be voted for): R. B. Boucher and Bela S. Peeney.

L. M. SAUNDERS DEAD AFTER LONG ILLNESS

Banker, Lawyer, and Realty Dealer Succumbs to Bright's Disease at the Age of Sixty-four Years—Prominent in Local Affairs.

Lorin M. Saunders, prominent as banker, lawyer, and real estate dealer, died at his residence, 2101 Wyoming avenue, from Bright's disease, yesterday afternoon at 8 o'clock.

Mr. Saunders had been suffering from the disease for some time, and about a year ago was compelled to retire from active business. Since the first of the year he had shown a steady decline in health, and for the past three months has been confined to his home.

His condition, however, was not considered alarming, except when severe attacks seized him. It was in one of these that death came. Sunday he began to fall rapidly. He was conscious up to the last few moments. Mr. Saunders was sixty-four years of age. He is survived by a widow and one son, Fenton Saunders.

Funeral Tomorrow.

The funeral will be held tomorrow afternoon at 3 o'clock. The Rev. Teunis S. Hamlin will conduct the services. Interment, which will be in Oak Hill Cemetery, will be private.

Mr. Saunders was a native of New York State. He was born in 1841, in Cattaraugus county, and received his early education in the public schools of that county. He taught school until near the close of the civil war, when a desire to seek fortune in a larger field led him to Washington.

He resided in the Government service in 1870, and entered upon the practice of law before the District and Federal courts. In 1881, after ten years of successful practice, he gave up law to devote his time to real estate business.

streets, and for some time was its acting president. Later he was connected with the Washington National Building and Loan Association of Washington. He was also prominently identified with the Business Men's Association of the District.

About a year ago Mr. Saunders' ill health compelled him to resign as president of the Washington Savings Bank.

Mr. Saunders was prominent in fraternal circles and was at one time master of Harmony Lodge, No. 17, F. A. A. M., and a member of the Sons of the American Revolution.

He was married twice. The present Mrs. Saunders was a sister to his first wife, a Miss Green, who died several years ago.

ACTRESS WILL WED MAN WHO SHOT HER

Miss Bessie Davis Reconciled to Smede.

PHILADELPHIA, May 16.—As soon as Miss Bessie Dale Davis, actress, who was shot and seriously wounded in the Douglas Hotel a month ago, is able to leave the Pennsylvania Hospital, where she is under treatment, she will marry Edward R. Smede, her actor sweetheart, who is under arrest charged with shooting her.

She has made a statement to this effect, and has been made public when Smede was arraigned before Magistrate Yates, in the central police court.

Arraigned in Court.

Smede and Miss Davis were appearing with Edna May's company in this city when the shooting was done. After shooting Miss Davis her sweetheart shot himself in the head and was in the same hospital with her.

Two policemen supported Smede as he walked into the police court. He was pale, apparently very weak, and his head was covered with bandages.

Special Policeman Redding said Miss Davis was not out of danger, and asked that Smede be held. Miss Davis' statement was then produced.

Says She Will Wed Him.

Besides announcing her intention of marrying Smede, the actress declared in her statement she will never prosecute her sweetheart, and strongly infers that the shooting, so far as she is concerned, was accidental.

She explained that she had told Smede she was going to leave Edna May's company and that he had drawn a revolver and was trying to shoot himself when a bullet struck her.

Smede was committed to prison without bail to await the result of Miss Davis' injuries.
